Do You Enjoy What You Eat?

If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is anything wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol Dyspepsia Cure. Sold by The Avenue Drug Store.

A Missouri orator is said to have gotten off the following: "We live in a land of high mountains and high taxes, low valleys and low wages; big crooked rivers and big crooked statesmen; big lakes; big strikes; big drinks; big pumpkins; big men with pumpkin heads; silver streams that gambol in the mountains and pious politicians that gamble in the night; fast young men and fast girls; sharp-toed shoes; fertile plains that lie like a sheet of water, and thousands of newspapers that lie like thunder."

No wonder that time is represented as haggard and worn out. A watch keeps time, the choirist beats time, the clock strikes time, trains run on time, people threaten to do things on time if they get time, at a prize fight they call time, soldiers mark time, criminals serve time, few can spare time and everyone now and then tries to kill time.—Ex.

Those who will persist closing their ears against the continual recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination.
